

SKEETERHAZERFLUID MOSQUITO REPELLENT

Ready-To-Use Formulation for Waterless Diffusers

Original Scent

WARNING KEEP OUT OF REACH OF CHILDREN

Net Contents: [] 6 - [] 16

DIRECTIONS FOR USE

This product aids the suppression of mosquitoes when used with programmable Bluetooth waterless diffusers. Review the diffuser instructions for SkeeterHazerFluid bottle installation/removal.

For semi-enclosed outdoor use only. This product may be used under covered areas, including balconies, terraces, garages, or porches. Do not use this product near or in food cooking, preparation or serving areas.

Assuming a ceiling height of no more than 10 feet, the SkeeterHazer-6 diffuser can cover areas of 50 to 500 square feet, the SkeeterHazer-6-MAX up to 1,000 square feet and the SkeeterHazer-16 up to 1,500 square feet. Start with a low flow setting on the diffuser and gradually increase as needed, based on mosquito activity, airflow and size of space.

Consider multiple devices for larger spaces. Do not exceed 1 diffuser per 500 square feet or 0.5 ounces of SkeeterHazerFluid per day, per 500 square feet. If using a fan, do not blow diffused SkeeterHazerFluid directly toward people.

Pest Wildlife Pro represents that this product qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Precautionary Statements

May cause an allergic skin reaction. Do not directly inhale this product or apply directly to skin. Avoid contact with skin, eyes, or clothing. Wear gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking chewing gum or using the toilet.

First Aid

IF IN EYES: Hold eye open and rinse slowly and gently with water for 25-20 minutes. Remove contact lenses, if present, after the first 5-minutes then continue rinsing eye and flush with plenty of water if eye or skin contact occurs. Call a poison control center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL

This product contains a combustible liquid. Do not contaminate water, food or feed by storage or disposal. Store in original container in a cool, dry area away from heat, open flame, children and pets. CONTAINER DISPOSAL: Dispose empty container in trash or offer for recycling. Do not reuse empty container. Never pour unused product down any indoor or outdoor drain.
